PRI MI MEM.

Antaŭ dudek jaroj certa homo, kiun mi tre amas, sed kiu tamen meritas mian malestimon, ĉar li posedas multajn kulpojn, legis en franca jurnalo pri Esperanto kaj pri la ebleco konatiĝi kun homoj en diversaj landoj per akiro de tiu facile lernebla lingvo. Kvankam li dubis pri la vereco de la pretendoj, li aĉetis lernolibron kaj iom studis la lingvon. Je sia granda surprizo, post kelkaj semajnoj li povis kompreni librojn verkitajn de homoj el aliaj landoj, kaj sukcesis korespondadi kun alilanduloj pri multe da gravaj temoj.

Iom poste li decidis dediĉi sian malgrandan povon por propagandi la lingvon inter ĉiuj homoj, kiujn li renkontos, ĉar li jam havis sinceren kredon pri la afero.

Li kredis, ke Esperanto taŭgas esti la internacia helpa lingvo por la homaro. Ke, per tiu simpla lingvo, la diversaj nacioj povus havi pli bonan scion pri aliaj nacioj, kaj tiamaniere fariĝus pli bonaj amikoj unu kun la aliaj. Ke la Bona Dio vere intencis, ke la homoj estu fratoj kaj vivu en amikeco unu kun la aliaj. Ke milito inter la nacioj estas ĝenerale la rezulto de malkompremo, kaj ke per Esperanto la plejmulto da malkompremoj nepre malaperus, kaj la homoj fariĝus unu granda rondo familia.

Havante tiun kredon, li senĉese laboradis por disvasti la lingvon en ĉiuj kampoj, kaj unu tagon la Brita Esperantistaro elektis tiun simplan homon kiel Prezidenton de ilia Asocio. Ne pro tio, ke li posedas grandan kapablecon, aŭ bonan edukadon, aŭ riĉajon, sed verŝajne ĉar

ili kredis, ke li estas sincera kaj honesta samideano, kiu penos plenumi siajn devojn fidele por la profito de la sankta afero.

Li petis, je la tago de sia elekto, por la senĉesa subtenado kaj simpatia helpo de ĉiu samideano; kaj mi ĝojas diri, ke li ricevis de ĉiuj la plej bonan helpon kaj kuraĝigon. De Aberdeen en la nordo ĝis Brighton en la sudo la Esperantistoj helpis lin tutkore. Kien ajn li iris, oni bonvenigis lin amike kaj ofte kun entuziasmo. Kaj lia koro hodiaŭ estas plena de dankeco pro tiuj agoj de frateco kaj amo.

En la urbo Chester, antaŭ kelkaj tagoj, oni elektis lin Prezidanto por la tria fojo, kaj li denove sentas, ke tiu granda privilegio ne povus esti sukcesplene subtenata se li ne scius, ke li senĉese ricevos la saman amikecon de siaj samideanoj kiel en la pasinteco. Sola, li certe malsukcesus, sed kun via helpo la venko de nia sankta afero estos nepra. Nur iom plu da laborado kaj pacienco, kaj ni atingos la celon en gloro.

Gesamideanoj. Tiu simpla, humila homo dankas vin per la tuta koro pro ĉiuj viaj agoj de helpo en la pasintaj jaroj, kaj prenas novan forton hodiaŭ el la scio, ke vi daŭre subtenos lin en la estonteco. Vi bone komprenas, ke mi nur skribis pri mi mem en tiuj ĉi linioj: sed kiam mi laboras por Esperanto mi ĉiam pensas ne pri mi, sed pri *ni*, kaj pri nia komuna laboro por la sankta celo de nia kara majstro Zamenhof—fari el la homaro unu mondan frataron de homa amo.

JOHN MERCHANT

MONTH BY MONTH.

A meeting of the Council of the B.E.A. was held in London on Saturday, 10th May, 1924.

Present: Mr. W. E. Clayton (in the chair), Misses Blake, Borel, O'Brien, and Rook; Mrs. Clayton, and Messrs. Boll, Boutwood, Edmonds, Fairman, Lechmere-Oertel, Long, Robertson, Robinson, Shelton, J. A. Smith, Thomas, Wadham, Wooding, and Yelland. In attendance: the Secretary and the Business Manager.

Apologies for absence from Mr. Merchant and others were read.

Mrs. Clayton reported that the Correspondence Courses were now in full working, and some students had already been enrolled. It was hoped that Group Secretaries would do their best to make the courses known.

On report by a Sub-Committee, it was decided to open a Fund to provide a memorial to the late Dr. John Pollen. The memorial is to take the form of "John Pollen Prizes" to be competed for annually by young people. Details of the scheme were left to the Literary Committee.

A recommendation from the Executive Committee was considered, dealing with the following statute recently introduced by Sennacieca Asocio Tutmonda:

"Ciu SATano ne rajtas esti samtempe membro de iuburga kaj tiel nomata 'neŭtrala' Esperantista organizajo . . . Sole la Direkta Komitato rajtas konsideri kaj esceptigi la teritoriojn kaj kamaradojn troviĝantajn en situacio aparta."

The opinion was expressed that by dealing in books published by S.A.T., the Association would be providing that organisation with profits to enable it to continue to exclude its members from supporting the national Esperanto associations. After discussion the following resolution was carried:—"That so long as the statute above quoted remains in force, the Association shall refrain from dealing in or in any way distributing any publication of S.A.T. or its associated publishing organisations, but that existing stocks already paid for may be sold."

The question arose as to the advisability or otherwise of continuing to sell a pamphlet in English, published by another organisation, in which it is suggested that readers should join S.A.T., and it was decided that the pamphlet should be no longer advertised in the booklist or displayed for sale in the office, but that in view of the present circumstances, copies of the existing edition be supplied when ordered.

A resolution was passed expressing the opinion that it was very undesirable for the B.E.A. to take any part in the engraving of a motto or the name of the Association on the Zamenhof monument, and that the Association deprecated the engraving on the monument of any national inscriptions.

Mr. Edmonds intimated that he had placed on the agenda of the Annual Meeting a motion in his own name as follows:—"That this Association accepts the principle agreed to by K.R. with reference to the collection of subscriptions for the U.E.A. by the National Societies, and empowers the Council to carry it into effect so far as the B.E.A. is concerned." Mr. Edmonds expressed the desire that the Council should consider the matter with a view to making some recommendation to the Annual Meeting. After discussion it was carried "That the Council accepts in principle the proposal made at the meeting in Geneva, by which the B.E.A. would have national and international members; the former paying an annual subscription of 10/-, and the latter an annual subscription of £1, half of which £1 would be sent to Geneva as a subscription for member-subscriber of the U.E.A."

On the question of the future of the *Konstanta Kongresa Komisiono* it was unanimously agreed "That this Council accepts in principle, and recommends to the Annual Meeting for definite confirmation, the proposed alteration of Article 4 of the Contract of Helsinki as

drawn up at the meeting at Geneva."

The basis agreed by the K.R. for subscriptions of the National Societies for 1924 was agreed to, and it was decided to pay to the K.R. before July 1st a subscription on the basis of 10% of the U.E.A. subscription for each member of the B.E.A., the membership being reckoned as at 31st December, 1923, viz: 1200.

The resolutions passed at Geneva concerning statistics and the Central Library were endorsed by the Council, and the Propaganda Committee was asked to deal with matters concerning the Commercial Experiment, the Commercial Register and Press Service.

The Executive Committee reported that it had decided to purchase an addressing machine. Arrangements were also being made for a new edition of the Esperanto- "Key."

CHARLES H. EDMONDS,
Hon. Secretary.

Wood Green.—La Prezidanto, S-ro R. Robertson, sendis al interesitoj en la regiono la jenan leteron, kiun ni represas kiel instigilon al aliaj grupoj.

I am sending herewith a copy of this month's INTERNATIONAL LANGUAGE, and earnestly beg you to read the opening article—a brief biography of the Author of Esperanto.

Learning of the struggles and sacrifices of this noble humanitarian, can we remain really satisfied with our own meagre efforts to forward his great ideal? Do WE give to it, according to OUR ability, of OUR time, brains, and means?

Do we attend Groups and Class Meetings as regularly as we might? Do we make sufficient effort, by reading and writing Esperanto, to keep ourselves in form? Do we, as often as we might, urge its claims, proclaim its possibilities, advertise its progress?

Do we aid, even by a few pence, our British Esperanto Association, which is courageously carrying on a great work on most inadequate means?

If your answers, as regards the past, cannot be affirmative, take steps for the future.

KRONIKO FAKA

Propaganda Committee, B.E.A. Report of work March-April, 1924. Owing to the large deficit, it has not been possible to do much of a startling character, but much quiet work has been accomplished by correspondence with enquirers and in the press, and in other ways. Meetings addressed: 10. Attendance: 201. Sales: £1 16 1. Circulars to press and others, 670. 3,030 copies of International Language have been sent to groups to aid them in obtaining new subscribers.

Theosophists should reply to an amazing article by Mr. A. F. Knudsen in June *Herald of the Star* (p. 268). Obviously, as far as Esperanto is concerned, Mr. Knudsen is theorising without practical knowledge. If he will investigate the facts we are confident that he will, like other quondam objectors, join our ranks as a result.

"Copex" Conference, April, Birmingham. We thank Rev. W. J. Downes for introducing Esperanto. It is not his fault that the subject did not receive proper consideration.

9000 miles! An Esperanto speech on **6 April** from Newark, U.S.A., was plainly heard in Tokyo without relay. This is, we believe, a record for long-distance broadcasting, and demonstrates the clarity of Esperanto.

From Tunis to Finland! The Esperanto broadcast of the King's Wembley Speech was heard in at least fourteen countries. Mr. Epton, by all reports, possesses the ideal wireless voice.

Upton Sinclair in a recent article declares himself in favour of Esperanto.

Is your name on the list of Guarantors for 1924? Our last page shows that the minimum sum needed (£500) is by no means reached. The burden of keeping the Association on a firm basis should be the common care of *all* British Esperantists, and not left to a few generous individuals. Write for details.

Congratulations to Rev. J. C. Rust on completing his 50th year as Vicar of Soham.

Mr. E. A. Hawkins has done much valuable work for the office in time of pressure. We hope he will accept this expression of gratitude.

Singers at a loss for good concert items in Esperanto should get "Koncerta Kantaro," 38 songs, 5/9 post free.

The Largest Esperanto Dictionary in the world is undoubtedly Wüster's Enciklopedia Vortaro Esperanto-germania. The first part has appeared. Publication of the remaining parts is delayed until a minimum number of 500 subscribers has been reached. Every group library should order it. The price is high, but the book is worth it. Particulars from the B.E.A. It would be a thousand pities were the completion of the work forbidden by the apathy of the Esperantist world.

London Parks. Mr. Yelland and others speak in Finsbury Park every fine Sunday morning. The London Esperanto Club holds meetings in Hyde Park.
